Maria –

My contact person with USEPA-Region V on the Allied Site called today and wants to set up a follow up meeting with Mayor Hopewell, myself (and any other City officials that may be available) here in Kalamazoo. This meeting is intended as a follow-up meeting that Mayor Hopewell and I attended last year in the late summer in Chicago. Not sure what they will be discussion but most likely it will be there proposed remedy for the Allied PCB Disposal Site.

They would like to schedule something starting the week of March 11, 2013. If you could provide some proposed dates that the Mayor could attend starting the week of March 11<sup>th</sup> that would be helpful. Since USEPA-Region V staff will be coming to Kalamazoo, it is an opportunity to have more officials and staff involved in the meeting. I indicated to Mr. Michael Berkoff, my EPA contact, that I would provide him with some proposed dates as soon as possible.

Thanks.

Bruce
